" WILD PAPA." ✓

To win a bet, Mr. Spat allows the new French model to vamp him. His wife and the model's brother come in the wrong moment. The hotel sues Spat for heart balm. She tells a story of how he chased across several states, while he tells how she lured him into her car and tried to make him kiss her. He was forced to go home on his roller skates. A lie detector blows up when he gets through telling the story. His lawyer puts some bees in the seat of Spat's pants and after the excitement, the trial is called off.
